and more...

# Juke Junction

## ROCKERS

Craig Harris 201-456-2048

Pete Perdomo 973-583-0003

The band members hail from the Tri State area.

- Craig Harris, guitar, harp and lead vocals
- Jim Vera, drums and vocals
- Mark Freese guitar and vocals
- Pete Perdomo upright bass and vocals.

Though a four piece band they can work as a three piece or two piece band. The band's music is a junction of the early juke box rock and roll music, from the late fifties to the early seventies. In addition they add a little bit of country music and Rhythm and Blues to their repertoire. Through out their sound they keep a strong rockabilly swing to their style.

They have performed to enthusiastic crowds at the Starving Artist Cafe on City Island, Robin's Nest Rhythm & Blues in Linden, NJ, Danny's Midway in Secaucus NJ, The Thunder Motorcycle Club Conventions in NJ.

And in NYC, Kenny's Castaway's, Uncle Mike's, Arlene's Grocery, Otto's Shrunken Head, Beal Bocht, Orchard House Cafe; also at private events, town of Secaucus fairs and carnivals.

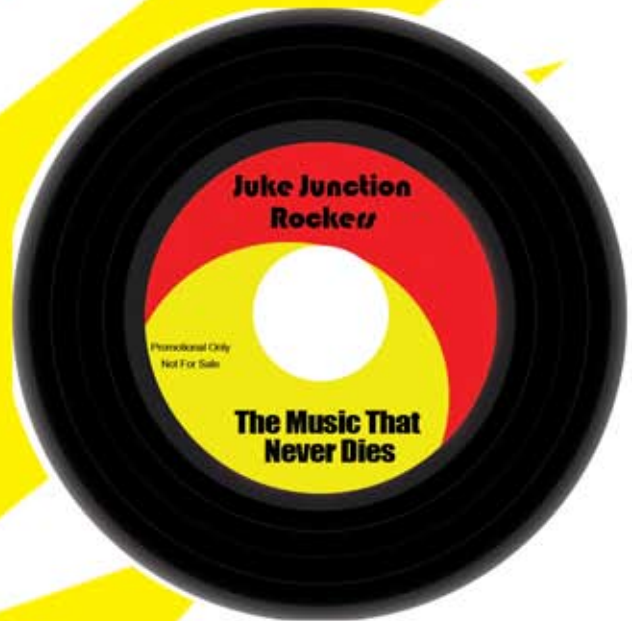

Their set list includes songs of Elvis, Carl Perkins, Fats Domino, Gene Vincent, Chuck Berry, Roy Orbison, Little Richard, Dell Shannon, Ritchie Valens, Johnny Rivers, Bill Withers, Bobby Fuller, James Brown, Niewe Heldey, John Lee Hooker, Elmore James, Jimmy Reed, Howlin' Wolf, Johnny Cash, and others
